

Certificate of Approval

This is to certify that the Management System of:

Southern Ionics Incorporated

579 Commerce Street, West Point, MS, 39773, United States

has been approved by LRQA to the following standards:

ISO 9001:2015

Approval number(s): ISO 9001 – 00041885

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

The manufacture; distribution and trans loading of aluminum sulfate solution, sodium aluminate solution, aqua ammonia solution, magnesium sulfate solution, sodium sulfite solution, sodium thiosulfate solution, soda ash solution, aluminum chloride solution, sodium aluminate solution, sodium bisulfite solution, PHOS-SORB®, FLUOR SORB, pH – SORB, aluminum, magnesium sulfate solutions, sodium sulfite solution, dried sodium aluminate, zirconium sulfate, zirconium oxychloride, soda ash solution, caustic soda solution and various specialty chemicals. Corporate office includes EHSQ management system oversight, customer service, sales, accounting, purchasing (major raw materials), human resources, director of manufacturing, transportation manager.

Marta Escudero

Regional Director, United Kingdom and Americas (UKAM)

Issued by: LRQA Limited
